HISTORICAL CAMPAIGN GAME #26

Casablanca, Morocco: November 1942 (hypothetical)

Operation Torch was the American invasion of Northwest Africa in the final stages of the desert campaign. Although controlled by the Vichy government, the French troops that were to defend this region converted to the allied side through diplomatic moves beyond the battlefield. Hence American troops came ashore with very little opposition. But it could have been different....

#	Scenario	Attacker	Defender	Special Rules
1	C. ASSAULTING A FORTIFICATION	AMERICAN	<u>FRENCH</u>	D, E, F, Na
